

❖ 80HOUR BTW COURSE

CIP CODE: 49 - Field of study: Transportation and material moving

This behind-the-wheel training and observation course is designed for students who have sufficient experience operating a tractor-trailer. A student must be able to safely perform backing and driving maneuvers to qualify for this course. It is a refresher training preparation for successfully completing the commercial driver's license exam.

***Range topics include:**

- Vehicle Inspection Pre-trip / Enroute / Post-Trip
- Backing maneuvers (Straight line, Offset, Parallel parking, Alley Dock Backing)
- Coupling and Uncoupling
- Air Brakes

***Public road topics include:**

- Vehicle controls: left turn, right turn, lane changes, curves at highway speeds, and entry and exit on the interstate or controlled-access highway
- Shifting / Transmission
- Communications / Signaling
- Visual Search
- Speed and Space management
- Safe Driver Behavior
- Hours of Service
- Hazard perception
- Railroad – Highway grade crossing
- Night Operation
- Extreme Driving conditions
- Skid Control/recovery, jackknifing, and other emergencies
