

Our Health Guarantee

Condition of ADOPTION

Sex: _____

Date of Birth: _____

Name of Dam: _____

Name of Sire: _____

We guarantee this puppy to the best of our knowledge, to be healthy and received its vaccines and de-worming through 8 weeks old. (Records included) The breeder is not responsible for the death or loss of this puppy once it leaves our premises. This includes but is not limited to sickness, accidents, personal injury or theft. The breeder is not responsible for refunds due to human allergies, disabilities, illness or other related situations. The breeder is not responsible for refunds due to color changes in coat and not bonding with the puppy because of temperament is not what you expected. As the breeder we try to the best of our ability to match each puppy to the likeness of the owner.

The owner assumes all financial responsibility for the puppy including but not limited to the vet expense, food, surgeries, boarding, grooming, etc.

The owner assumes responsibility to continue quality healthcare for the puppy. This puppy will require monthly worming (oral) and a series of vaccinations. You are highly encouraged to keep your puppy current with all necessary vet checks.

You have 3 business days to take the puppy to a licensed vet for a complete physical. Date _____ if for any reason the vet finds a defect in the puppy that will cause certain premature death the breeder agrees to refund the purchase price upon the return of the puppy to the breeder at the owner's expense. A refund will only be given upon a written report from the vet responsible for performing the exam. The vet will need to provide the breeder with all test results and diagnosis in WRITING. This refund will only be given provided that the breeder's vet of choice verifies the defect. Presence of parasites such as worms, giardia, or coccidian does not make the puppy defective. We attempt to send your puppy home parasite free. After the above date, the 3-day guarantee is not valid.

A 6-month guarantee against any genetic health problems such as eye or hip problems, this is from the date of birth and is only good for the original owners. If the puppy develops, any inheritable/genetic defect within 6 months from the date of birth buyers may return the puppy to the seller for a replacement puppy of equal value. Seller will provide replacement puppy when available from the next litter within the same price range. All shipping expenses to be paid by the buyer. Any diagnosis of hip dysplasia must be substantiated by the OFA. (Orthopedic Foundation for Animals) ADOPTER may elect to keep the puppy in which case, under no conditions and at no time during the life of the puppy will the seller pay or assist in paying veterinary expenses, including any such expense directly or indirectly related to any inheritable/genetic defects.
