

Job specifications – Casual / Bike SA Instructor

Overview:

The instructor will play a key role in delivering our Bike Programs, creating engaging and dynamic bike skills sessions across metropolitan, regional, and remote South Australia.

This role focuses on fostering participant engagement while teaching riding skills, promoting bike safety, and providing instruction in basic bike maintenance.

Key Responsibilities:

- Facilitate a range of bike skills programs, supporting participants of various skill levels.
- Work across diverse environments, including South Australian schools and regional areas.
- Conduct a variety of engaging activities designed to enhance participants' biking skills and confidence.
- Assist with the maintenance and operation of our bike fleet, applying basic bicycle mechanics to ensure all bikes perform optimally.

Skills & Qualities:

- Experience in delivering educational programs and facilitating instruction.
- Excellent interpersonal skills with the ability to engage and communicate effectively with people of all ages.
- Proficient in cycling across various terrains.
- Strong verbal and written communication skills.
- Demonstrated ability to deliver exceptional customer service.
- Solid understanding of cycling laws and regulations.

Required Certification

- Current Working with Children Check (WWCC).
- RRHAN-EC Certificate (masterclass)
- Current first aid certification ([HLTAID011](#)).
- Intermediate level of bike maintenance knowledge.

Additional Information

- Experience working with children and youth, including vulnerable or at-risk individuals.
- Previous experience in teaching, coaching, or leading outdoor recreational activities.
- Knowledge and experience in bike riding, including mountain biking and/or BMX.
- Passion for promoting cycling as a recreational activity.
- Experience with driving a manual vehicle and towing a trailer

Pay Guide

The pay rate for BikeSA falls under the current **Fitness Industry Award** guidelines.
