

Dear Annual Tour rider,

23 days and counting.....!

Here's some more quick updates and reminders to help you prepare.

Clare Valley Tours online booking link updated

We been advised by Clare Valley Tours that the online booking link Rest Day Tour option has been updated and is now functional.

Numbers are limited so get in quick.

Do you have Travel insurance?

With less than four weeks to go until Annual Tour, we'd like to remind you that all Annual Tour bookings are now subject to 50% cancellation fee, if you are forced to cancel due to illness/injury or unforeseen circumstances. Cancellations received after Friday 3 September will be subject to 100% cancellation fees.

We strongly recommend that all participants purchase travel insurance to cover any of the usual unforeseen issues that can occur with any holiday **including cancellation due to unexpected illness** or injury.

Several travel insurance companies now also provide cover for Covid -19 including reimbursement of travel cancellation costs.

We don't recommend any particular company, but we suggest that you spend time researching what is on offer with the various companies and options available. Check the fine print!

The time to sort this is now, not the week before you leave.

Cash or Card

Each night our venue hosts will be offering a cash bar service where you will be able to purchase beer, wine and soft drinks. Most venues will be able to accept both cash or credit card however some may only accept one form of payment so it's best to have some cash with you as well as an active credit/debit card.

Our hosts in Hahndorf have already advised that the bar that will operate with dinner will be cashless so you will need a credit / debit card to purchase any drinks.

Please take time to review our previous updates as well.
