Car Parking at Cape Jervis

For those of you driving directly to Cape Jervis, the closest parking to the Sealink ferry terminal is located just a 2 minute walk from the ferry departure area. This is a secure fenced facility that is locked overnight. Please note: due to renovations happening around the Sealink ferry terminal – the amount of space we can use is limited. We will have a maximum of 60 vehicle spaces to sell – sorry no large campervans / motorhomes, caravans or camper trailers are permitted at this location.

Please call our office to secure your carparking – the cost for parking at this facility will be \$147 for the 7 nights (19th – 25th October) **PH 08 8168 9999**

Alternative Parking for caravans /campervan and other large vehicles is available at the [Big4 Cape Jervis Caravan Park](#). (9351 Main South Road). It is located 3.2km from the Ferry Terminal, just a 5 minute drive (or 15 minute bike ride)

Check with caravan park management as to whether they are able to provide shuttle service to drop you back to the ferry terminal or allow enough time to ride your bike back.

For more information including pricing and bookings call 08 8598 0288 email

bookings@capejervisaccommodation.com.au

Check in at Cape Jervis opens at 10am. Whether you are parking close to the ferry terminal or at a location further away, you will need to ensure that you arrive early enough to drop off your baggage / bike at the Annual Tour check-in area, park your car and return to ferry check-in no later than 11am.

There will be a dedicated truck to load your luggage onto and there will be a separate semi-trailer to load your bike onto. You will need to turn the handle bars 90 degrees and remove your pedals prior to loading. Tools will be available for this. Heavy packing blankets will be placed in between bikes to protect them.

Let us know if you have any further questions regarding bus transfers or carparking.

Please take time to review our previous updates as well.
