

## Nathan Petrus

I have been Vice President of Bicycle SA since 2016 and a member of the Executive Committee since 2011. I feel privileged to serve an organisation that makes a difference to the cycling community of South Australia and would be honoured to serve as President for a further two years, promoting the interests of our members.

I am a keen recreational and commuter cyclist and bring over 20 years of experience as an executive in State and Local Government, working on strategy, governance and financial management.
