

“SHIELDING INNOCENCE: ENSURING CYBER SAFETY FOR THE NEXT GENERATION”

The threats that our children face in the modern day have never been greater. It is imperative that today's children are equipped with the training, knowledge, skillset and resources to combat the ever-growing digital landscape. Our children today have unfettered access to dangerous people and obscene content in ways never known before. This course is designed to teach LEOs, First Responders, Educational Institutions, Social Workers, Religious Leaders the importance of children protecting their digital footprint, recognizing inappropriate content, cyber bullying, online predators, and other digital threats through a Judeo-Christian lens guided by Biblical principles. This course will cover many topics to include:
