

BLEEDING CONTROL 360: BLEEDING CONTROL AND TRAUMA RESPONSE

COURSE OVERVIEW:

- ✓ A hands-on training course designed for law enforcement, first responders, and security professionals specializing in bleeding control and trauma response.
- ✓ Designed for high-risk scenarios requiring immediate life-saving interventions.
- ✓ Provides practical skills to identify and control severe bleeding using proven techniques.
- ✓ Instructed by certified trauma specialists and emergency medical professionals with extensive field experience.

COURSE CURRICULUM:

This course provides law enforcement and first responders with hands-on training in bleeding control and trauma care. Participants will develop the skills necessary to stabilize injured individuals in critical situations, ensuring better outcomes before medical professionals arrive.

Course Details:

- ✓ **Course Name:** Bleeding Control 360: Bleeding Control and Trauma Response
- ✓ **Course Catalog Number:**
- ✓ **Course Duration:**
- ✓ **Target Audience:** Law enforcement, first responders, security professionals, and educational institutions.

KEY TRAINING AREAS:

- ✓ **Bleeding Identification** – Recognizing life-threatening bleeding and understanding the physiology of hemorrhage.
- ✓ **Direct Pressure & Wound Packing** – Hands-on practice in applying direct pressure and packing wounds to control bleeding.
- ✓ **Tourniquet Application** – Proper use of tourniquets to stop severe bleeding in extremities, including hands-on training with commercial and improvised devices.
- ✓ **Hemostatic Agents** – Training on the use of hemostatic dressings to promote clotting in severe wounds.
- ✓ **Trauma Response Protocols** – Coordinating with EMS and ensuring proper handover of patients in critical conditions.

This intensive training equips participants with the critical skills needed to save lives by controlling severe bleeding in emergency situations.

IMPORTANT NOTES:

- ✓ This class has been cataloged by the Council on Law Enforcement Education and Training for hours of mandatory continuing education credit.
- ✓ Regarding any law enforcement concepts, practices, methods, techniques, products, or devices as might be taught, promoted, or otherwise espoused in outside schools or seminars, there is no intent, expressed or implied, that listing the course in the CLEET Course Catalog conveys 'CLEET approval' of such concepts, unless explicitly stated.
