

Presents:
The 2023 Graffiti Car Show
Sunday June 11th, 2023
St. Jacobs, Ontario

To our generous past and future sponsors,

Since 1961, the Highwaymen Car Club of Kitchener has hosted cruise nights, dances and car shows, with proceeds from these events going to support local charities.

For many years, we have supported the Ontario chapter of Make-A-Wish Canada (formerly the Children's Wish Foundation of Canada). Each year, thousands of Canadian children are diagnosed with a life-threatening illness. Make-A-Wish Canada creates life-changing wishes for children with critical illnesses. The Highwaymen Car Club is honoured to continue to support this very worthy cause.

The annual Canadian Graffiti Car Show draws hundreds of vehicles from across the province and beyond, as well as thousands of local spectators and their families.

As we prepare for this year's event, we hope that we are able to count on your support. Any donation that you are able to provide is graciously accepted. Major monetary sponsors (\$300 or more) will be promoted on our website and social media channels, and your company's name and/or logo will be included on the thousands of flyers and posters that are distributed leading up to the show, provided we receive your commitment by the end of January.

All sponsors will be promoted throughout the show, with space available for your business identity if you desire. Please be sure to include a business card with your contribution to ensure that the lucky recipient(s) are able to connect your generosity with the event.

We thank you for your time, and appreciate your consideration and continued support. Please feel free to contact us should you have any questions.

Best regards...
