If a mare does not settle or a live foal is not produced, you may rebreed until live foal is produced within 2 years of original date. Live foal is considered a foal that can stand/nurse and who lives up to 7 days. Mares who do not settle can be substituted with a mare that is approved. Additional collection & shipping fees apply.

Mare owners must notify FSO owner when a mare is confirmed in foal, foal is born and meets live foal standard. We must also be notified any time the mare is sold while in foal, does not settle, or does not produce a live foal. Life foal Guarantee.

A Breeders Certificate/ Registration Application for the resulting foal will not be issued until the mare's owner notifies of a live foal and all fees have been paid in full.

All vet fees including but not limited to mare care, insemination, collection, ultrasounds and shipping will be the responsibility of the mare owner.

If the mare arrives to be bred in poor or unhealthy condition, we reserve the right to not breed, deposit will not be returned.

It is the mare owner's responsibility to present a healthy mare that is in good condition to carry a foal full term. Mare must be 5 panel negative. We do not guarantee sex, color, or performance of foal.

This contract and stud fee is only transferable to another mare if approved by the stud owner.
