To Whom It May Concern:

20th April 2020

I am writing this letter to you as a recommendation for the services provided by Chong Yat Engineering Co. Ltd..

For the past few years, our company has worked with Chong Yat Engineering Co., Ltd to assist us with numerous E&M projects in Hong Kong. Throughout their high responsibility and performance, those projects were delivered on time with good quality. As a result, we obtained a fully trust by the customer and it turned to a long-term business relationship with us.

All of our experience with Chong Yat Engineering Co. Ltd. has been very positive, and our knowledge of this company has a history of timely and successful completion of projects.

We highly recommend Chong Yat Engineering Co. Ltd. and believe they will be your valuable partner/ supplier with all success in the future.

With Best Wishes,

Your Sincerely,

Cheung & Poon Surveyors Associate
