

2026 STRYKER EQUINE LLC COMMUNITY PARTNERSHIP & SUPPORTER PROGRAM

Program Purpose

The Stryker Equine LLC Community Partnership & Supporter Program connects local businesses, equine professionals, and community supporters with a shared commitment to horses, horsemanship, and agriculture. Through sponsorships and partnerships, participants help expand educational opportunities, strengthen local equine resources, support community initiatives, and contribute to the continued growth of the equestrian community throughout Central Florida.

Program Mission

Stryker Equine exists to strengthen and support the equine community through professional services, educational opportunities, and responsible horsemanship. We are dedicated to helping horse owners, equine professionals, and agricultural businesses succeed by providing reliable service, fostering community connections, and promoting the long-term growth of the horse industry throughout Central Florida.

Founding Partner Opportunity

Stryker Equine LLC may choose to limit participation to a select number of Founding Partners to recognize businesses that support the company's early growth and community outreach efforts. Founding Partner opportunities are offered on a first-come, first-served basis and may not be available once all positions have been filled.

Use of Funds

Contributions received through the Stryker Equine LLC Community Partnership & Supporter Program help support the continued growth, education, and professional development of the company and the services it provides to the equine community. No contributions are distributed as owner income and are reinvested directly into education, professional development, outreach, equipment, and business growth initiatives.

Partner and supporter contributions may be used to:

- Complete professional certifications and continuing education programs.
- Advance farrier education and certification training, including Brian Stryker's professional farrier certification program.
- Expand saddle fitting education and specialized training to improve service offerings and horse welfare outcomes.
- Support ongoing business development, professional consulting, and industry-specific educational opportunities.
- Purchase promotional materials, marketing resources, educational handouts, brochures, business cards, signage, and community outreach materials.
- Develop educational programs, clinics, demonstrations, and community outreach initiatives focused on responsible horsemanship and horse care.
- Acquire tools, equipment, software, and resources necessary to provide professional equine services safely and effectively.
- Strengthen the long-term sustainability and growth of Stryker Equine LLC as a locally owned equine services company serving Central Florida.

Through these investments, Stryker Equine is able to expand its knowledge, improve service quality, increase community engagement, and better serve horse owners, equine professionals, and agricultural businesses throughout the region.
