Dear Mr [REDACTED]

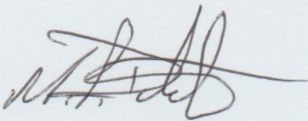

Naema Heights Occupants Union – Serious Health and Safety Issue

Please advise what action is being taken to combat the current rat infestation within the Village.

The issue was reported to [REDACTED] whilst you were absent from the Village and trust this information was shared with you upon your return. Whilst we took local action this was not a long-term solution and neither can we be expected to fund cleaning of other areas within the Village. We have serious concerns around health issues and potential virus spreads by this rodent infestation.

Thank you in advance for your prompt attention.

Yours sincerely

Mike Doherty – Owner
