What is your current work position or job title?

What are your current duties related to bookkeeping and QuickBooks®?

What professional training have you previously received?

What areas of experience and training do you feel you need to help further your knowledge base?

Our Guarantee

Classes are limited, and students are provided with their own personal laptop to practice with between trainings. If you attend at least 7 out of the 8 full days of the program, and score at least an 85% average on each week's test, you will be prepared to pass at least one QuickBooks® Certified Pro Advisor exam. If you fail to complete at least one of the certification exams, you may attend our training course again at no charge.

No refunds will be given if the registration is cancelled within 14 calendar days of the program start date but may be applied to a future training to avoid preventing a potential student from being placed in the group.
