Mirlande Marie Dina Michel-Wiggins,

We, the National Association of Christian Ministers have considered your request for the recognition of ordination. The following is an official report of our decision.

We are convinced that you hold a devout belief in the Christian faith, accompanied by a calling of service to our God in the ministry of His Kingdom. You cleared our background investigation. Upon prayerful consideration, the sincerity of your testimony passed the scrutiny of our Elder Council.

Therefore, by the authority given to us in Christ (Matthew 28:19-20), this religious organization hereby validates your calling by holding you accountable to the responsibilities, expectations, holy rites, and conduct of an Ordained Independent Minister of the Gospel.

Our Prayer of Consecration over You

Father, in the mighty name of Jesus we set apart your servant this day, requesting that you make use of them in the ministry of your Kingdom. We ask that you give them

- 1) wisdom to know your ways,
- 2) strength to resist sin,
- 3) courage to face adversity, and
- 4) a love for people that fulfills your law.

By the love of our Father, the blood of our Brother Jesus, and the unity set in our hearts by His Holy Spirit; we declare the mark of Christian ministry as a testimony before the hosts of Heaven, and everything underneath. On this Saturday, February 22, in the year of our Lord 2025 –AMEN.

We welcome you to the journey of Christian ministry. You do not walk this path alone. Our fellowship of ministers should become one of your most valuable resources for encouragement, prayer, and preparation to accomplish the works which God has set before you. Below you will find the most common information requested by our members.
