

All parents and caregivers are invited to join us at the
Ohio County Family Support Center

What is Circle of Parents?

Parenting is hard and you don't have to do it alone. Circle of Parents is a free monthly gathering for parents and caregivers right here in Ohio County. It's a relaxed, judgement-free space where anyone in a parenting role can share the joys and the hard parts of raising kids.

I didn't realize how laid back this would be and that we get to all talk about the things going good and the things that could be better.
— Mom from Wheeling
