

### Description

Inspired by traditional plant remedies passed through generations, this deeply nourishing mask restores moisture, softness, and shine to dry or damaged hair. Carrot root and coconut oil help replenish the hair shaft while botanical oils condition and protect.

### Directions

After shampooing, apply a generous amount to damp hair from mid-length to ends. For deeper treatment, massage lightly into the scalp. Leave on 10–20 minutes. Rinse thoroughly. Use 1–2 times per week or as needed.
