

Rhino's Financial Tips for Kids

Learn smart money moves with Rhino, your magical buddy!

Meet Rhino!

Hey there, Superstar!

**I'm Rhino—Craig's magical buddy—
and I'm here to help YOU learn
about money. Just like we use our
magical basketball to score big, you
can learn smart money moves to
reach your goals!**

Save, Spend, Give!

Use the 3 Magic Jars:

- Spend Jar – For fun stuff like toys or treats
- Save Jar – For something big (like a bike or game)
- Give Jar – To help someone else or a cause you care about

Tip from Rhino: Even superheroes save before they spend!

Set a Goal!

What do you want to save for?

Goal:

How much does it cost? \$_____

How much can I save each week?
\$_____

I'll reach my goal in _____ weeks!

**Planning = Winning! Just like
basketball plays, your money needs
a game plan.**

Smart Rhino Habits

- Needs vs. Wants
- Save a little every time
- Ask questions about money
- Make a budget (yes, even a fun one!)

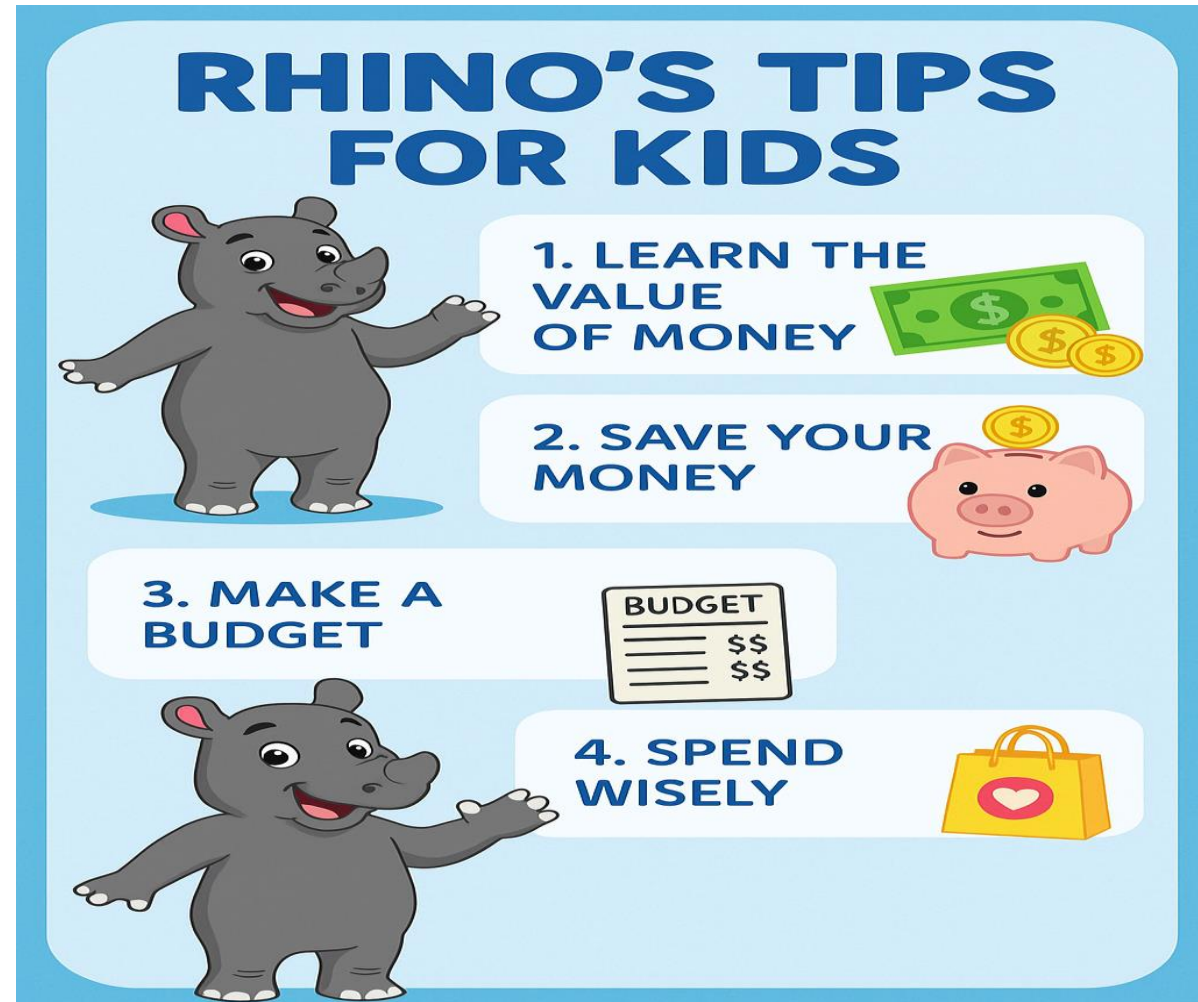

Every dollar has a job. Make yours work hard!

Game Time!

Try these money games:

- Piggy Bank Race – See how fast you can save \$10!
- Money Detective – Spot things in your house that are needs vs. wants.
- Budget Bingo – Can you plan a \$20 day at the fair?

Draw Your Dream Goal!
