

GE RETIREES ASSOCIATION NEWSLETTER
2024-2025

Dear GE Retirees and Spouses,

I would like to thank John Grabenstein, our past president, for all of his dedication, hard work and leadership last year. Also, a huge thank you to ALL our Board members for all you do to support our Association. In addition, we would like to thank our members who participated in the "Work on Wilmington" in conjunction with the Wilmington GE businesses, and the Salvation Army Angel Tree. We know there are many of you who support our communities with Meals on Wheels, Food Banks, American Legions, youth education and sports activities, schools and your church. The GE Retiree Association appreciates your efforts in making a difference in our local communities.

The Board of Director's welcome you to the 2024-2025 GE Retirees Association. Over the summer months the Board has worked to plan a fun and informative year for all. Please note that we have changed a few meetings for your enjoyment and fellowship by adding two Socials. This will give you a chance to mingle and visit with those you know and to meet other members. There will be a few games there for your enjoyment if you prefer.

We are excited to begin a new year with you. Please consider being more involved in the Association with your suggestions, time and talents. Please feel free to contact any of the Board of Director's with your concerns/suggestions. THIS IS YOUR ORGANIZATION.
