UNIVERSITY OF ILLINOIS
EXTENSION

Long Grove Country School

Welcome to Long Grove Country School! We are located on 5 beautiful acres in Long Grove. Our elementary programs are open to all school districts and designed for both afterschool care and enrichment. LGCS is excited to announce our partnership with University of Illinois Extension to become a 4H Charter location. Families can choose from a variety of clubs focused on Animal Sciences, Environmental Science, STEM, Creative Arts, and Music or families have the option to let their child have some down time after school and enjoy supervised exploration of our 5 acres filled with outdoor adventures, animal encounters, and just being a kid.

Elementary Clubhouse Programs & Enrichment

LGCS is excited to be partnering with the University of Illinois Extension Program to offer 4H Programs for children. This partnership allows us to provide a unique and stimulating environment for children after school every day. Students who join us for 4H Programs will qualify to present and compete at the Lake County Fair in July.

Tutoring is also available for an additional fee and by appointment.

- **School Dismissal:** After-care Students will arrive from school and have a snack.
- **4pm-5pm:** LGCS Enrichment Clubs**/Recess/Homework.
**Elementary Enrichment Club Only students will be signed up for specific clubs each day. Drop-Off is at 4pm. Pick-Up is at 5pm.
- **5pm-6pm:** Homework and socialize with friends. Weather permitting, we will encourage all students to get some fresh air and explore outside.
- **6pm:** All programs are done for the day and students go home.

Homeschool Supplemental Art & Science

LGCS is excited to be partnering with the University of Illinois Extension Program to offer 4H Programs for children. Students who join us for 4H Programs will qualify to present and compete at the Lake County Fair in July.

Children ages 5-7 are eligible to participate in the 4H Cloverbud Program. As a group, we will explore Animal Science and Creative Arts topics.

Children 8+ will have an opportunity to pick a project to research and present to the group. Those children who want to demonstrate their knowledge to the public have an opportunity to present this to the public at the County Fair.

****See Club and Enrichment Descriptions for Animal Science, Creative Arts, Environmental Science and STEM on page 7 for more details.**

Homeschooling Classes will be held from 12:45pm-2:15pm.

Club & Enrichment Descriptions

Leadership, Team Work, Fun, Adventure

Animal Science (4H): From farm animals to household pets to veterinary science, there are so many creatures to meet. Learn about a variety of animals. Identify different species, research what different animals eat and how to care for them, explore veterinary care, and techniques for training animals.

Creative Arts (4H): Students will be introduced to a variety of arts and crafts projects from homemade piñatas, canvas art, theatre, drawing cartoons, journalism and more. Children will have the opportunity to paint, sketch, and make all types of messy creations leaving the mess at school instead of bringing it home.

Book Club: Students will pick from a list of books each month. Imaginative and interactive activities will enhance comprehension and help encourage even our hesitant readers to keep up with the group. At the end of the month, there will be a Battle of the Books contest with prizes for all.

Environmental Science Club (4H): Research animal habitats, bugs, vegetable gardens, outdoor adventures, wildlife, plants and weather. So many fun subjects to explore and examine.

Polish Club: Bi-lingual Polish and English speaking students will have the opportunity to learn to read and write in Polish. This club will focus on giving students a solid foundation of the Polish language. Ms. Sylwia will lead this club and add some excitement and new science vocabulary to the class with science experiments throughout the hour.

SPIN(4H): A group project within the 4H topics will be selected as a team. These projects are also eligible to be presented as a group at the County Fair.

STEM(4H): Come build with Legos, launch rockets, take apart a bicycle and put it back together again, learn about electricity, and woodworking.

A full list of clubs and monthly schedules will be posted online.

Note: All 4H clubs will be project based. Students will have the opportunity to formalize their project to individually present at the county fair, if desired. It is not a requirement to participate in the County Fair. This is intended to give students an extra opportunity to demonstrate what they have learned and display their hard work.

****Register for 1 year with a friend and each family receives a \$100 credit on the annual tuition.**

School Year Program Times and Options
