

Summer Camp

Welcome to Long Grove Country School (LGCS). We are located on 5 beautiful acres in Long Grove. LGCS is an education center with summer programs running all day from 7am-6pm for ages 3-3rd Grade. LGCS allows flexibility for families to choose from a variety of days and times for programs. Some children stay for all daily programs and others stay for only a half-day.

Summer Camp is a very hands-on, outdoor, fun, and educational experience. The children will go outside as much as possible to take advantage of our 5 acres. Children are exposed to nature, gardens, farm life, literature, science, art, math, STEM, music and more. This year, LGCS has added an optional Summer Bridge program for school age children. Tours may be scheduled online. Please feel free to follow up with us with any questions.
