Release and Waiver of Claims & Policies

Release and Waiver of Claims and Terms & Conditions remain in effect from family registered online. New families that have not registered in Procure which is our parent portal will also need to register their family and child's medical history, birth certificate, etc.

Parent Handbook: A detailed description of policies and procedures are listed in the Parent Handbook. Each child must have a guardian sign the parent handbook acknowledgement page confirming that they have read and agree to Long Grove Country School's policies and procedures. This includes policies and procedures for safety regarding Covid-19.

General Wellness: **Please do not send your child to school sick. If you are hesitant as to whether or not to send them from illness, please keep them home.** We don't even want to pass around a common cold and have parents or teachers worried that they have caught Covid. In general, not just at school, children will be exposed to more and new viruses including the common cold. Colds will happen. We have been very fortunate that parents have worked with us to keep everyone as safe as possible and would like to continue this partnership.

Note: An added benefit to outdoor play & classrooms is th at there is a lower risk of transmission of communicable diseases including Covid-19 being outside than being indoors.

Themes will be published in April. \$100 per child non-refundable Registration Fee is due upon Summer Camp registration to hold your child's space. Forms can be returned via email or dropped off in the white mailbox near the school entrance. Registration Fee may be paid via check.
