

# Mine-O-Rock

India's Finest Stones and Minerals

For ages, marble has been known for its timeless charm. It beautifully adds elegance and character to every room it is part of. Hence, considering- in this nature's gift as one of the key parts of a promising interior project comes naturally to most architects and designers.

With MINE-O-ROCK, you can bring home an exquisite piece of splendour! Explore the world's best quality marble sourced from the finest mines in Italy and around the globe. Our unique Triple Reinforced Technology (TRT) gives the marble a charmed makeover, shaping it into exquisite splendour.

MINE-O-ROCK brings you a kind of natural wonder that has perfected the art of bringing out the beauty of the natural stone. A perfect blend of elegance durability and style straight from Mother Nature.

1. MINE-O-ROCK assures large quantity supplies of high gloss Exclusive & Exotic marble at par with the best in the world:
2. Superior quality marble sourced from the finest mines in Italy and over 40 countries around the globe.
3. Marble is processed at the state-of-the-art Breton processing plant in India.
4. It is one of the very few fully automated marble processing plants in the world and the only one in India.
5. Consistent ultra-high precision in cutting is accomplished with BM gangsaw machines from Italy.
6. Natural marble is strengthened using automated netting and the world's best epoxy resin (Tenax).
7. A vacuum processing technique seals the tiniest of micro-pores, to ensure perforation-free marble.
8. MINE-O-ROCK is the only company to employ a pre-grinding process before polishing to achieve flatness accuracy.
9. A special super-gloss process involving UV resin and processing in the UV tamp chamber imparts the highest gloss levels possible.
10. Fully automated processes ensure consistency of size, incredible longevity and unmatched enhancement of marble's natural beauty.
11. MINE-O-ROCK professional team is committed to delivering target quantities-on-time, every time.

Mine-O-Rock has a global network spread across various countries including Turkey, Spain, Sweden, Norway, etc. The company manufactures and supplies marble, stones, granite, natural marble, composite marble, slabs, and Italian marble. The Company offers natural marble, exotic granite, and other stones for building.
