

**Carlsbad Soil and Water Conservation District
 Project: Hazardous Fuels Reduction Activities
 RFP # CSWCD 26-02 Cost Proposal Form**

Summary of proposed rates

The Offerer listed below submits the following rates excluding New Mexico gross receipts tax to complete the requirements as outlined in this RFP for the CSWCD. Quotes on projects will be requested and approved before any work is started. CSWCD has the right to request updated pricing at any time. Each project will have a pre-project meeting to determine cost of project. Per diem costs should be incorporated into cost per acre, those costs will not be paid separately.

This Cost Proposal Form is to be submitted separate from the Technical Proposal in a sealed envelope.
