Market Membership Application

Thai Town Association of the DMV Inc. (“TTADMV”) is a tax exempt charitable organization that educates the public regarding the people and culture of Thailand and promotes the preservation and flourishing of Thai culture in the DMV region. A primary avenue for furthering this purpose is hosting various Thai cultural festivals and markets.

TTADMV has established a Market Membership program to advance its charitable and educational purposes. The Market Membership program is open to businesses that are excited about our community goals and are willing to work collaboratively with us and other members to promote Thai culture in accordance with TTADMV’s guidelines, enhancing the educational and cultural objectives of our events. While TTADMV prioritizes for Market Membership those businesses that provide authentic Thai cultural products, including food and beverages that showcase the traditions and genuine flavors of Thailand, a small number of Market Memberships is reserved for non-Thai related businesses whose offerings facilitate the experience of festival and market attendees without diluting the Thai cultural focus.

Some of the opportunities and benefits associated with Market Membership in TTADMV are outlined in Addendum A. The current Market Membership dues (subject to change at the discretion of TTADMV) are **\$300** for Food market member and **\$150** for Non-Food market member **per event**.
