-------	--	--	---	---------	---------------	--

			<p>Cut back overhanging vegetation on main path £500</p> <p>12 The Mall east entrance Resolve drainage issue effecting entrance footway £1,000 Subject to discussion with Mall owners</p> <p>13 Main access ramp path Repaint railings on local centre access route £2,500</p> <p>TOTAL £20,500</p>			
			TOTAL	£55,825.00		£41,625.00

Town: East Calder (£69,609.00)

ECA01	East Calder Community Resources Association	Green Gym	Green gym outside partnership centre next to car park Currently a park master plan is being developed with the completion of a 3G pitch preceding park improvements. With the possible extension to the Health Centre it is unclear, at this time, what the northern boundary of the park would be. Not supported at this stage within the timelines of the project	£51,800.00	Open space	RECOMMENDATION: Not to support Not supported due to construction and building already ongoing in the area; advised not deliverable in the timescale <ul style="list-style-type: none"> • Application – meets 2 of the criteria themes • Evidence – does not meet • Project management – ECCR no mention of maintenance or sustainability if parts break or planning permission if required by WLC contractors • Delivery – dependant on Council contractors- advised no • Breakdown of costings in place
ECA02	East Calder & District Gala Day	East Calder Gala Centenary Appeal	To paint existing containers within the park, plant a hedge between these and the fence, provide special 100 year anniversary water bottles to the children of the town.	£9,938.75	NETS	RECOMMENDATION: to support in part (purchase of water bottles not supported) SUGGESTED AWARD: £4,442.75 from remaining underspend within the ward Painting of containers, planting of beech trees, on condition that a maintenance agreement is in place and NETS are in agreement.
ECA03	East Calder CC	East Calder	East Calder wellbeing, advice and information service (East Calder Hub) To support and facilitate the Community by directing them to our volunteers and other voluntary sectors.	£69,609.00	Applicant	RECOMMENDATION: to support in Full SUGGESTED AWARD: £69,609.00 <ul style="list-style-type: none"> • Meets 4 of the Criteria themes • Evidence of need: meets • Support from partners: Meets

			<p>All volunteers/organisations working with East Calder & District Community Council will provide Service Level Agreements in advance. Support, Advice, Information and signposting for the community.</p> <p>Signposting to local services within the community.</p> <p>Working and building relationships with other voluntary sector agencies.</p> <p>Provide information /knowledge on local services/places of interest increasing the visitors to the area.</p>			<ul style="list-style-type: none"> • Breakdown of costs: meets
			TOTAL	£69,609.00		£69.609

Town: Mid Calder

MCA01	Mid Calder CC	Community Gardens/ Information Point	Area next to the Institute Hall that was originally the site used for parking the mini bus to be transformed into a children's garden complementing the small space and adding value for the children using the institute hall i.e. out of school care, toddler group and local residents - council owned land, learning growing element	£42,000.00	Open space	<p>RECOMMENDATION: to support</p> <p>Suggested Award: £42,000</p> <p>On recommendation of agreement with NETS in regards to project, planning, maintenance and continue to engage with WLC appropriate services throughout the project as required.</p>
MCA02	Mid Calder Bowling Club	Car Park	To extend the car park	£7,500.00	External	<p>RECOMMENDATION: not to support</p> <p>Suggested Award: Nil</p> <p>Not supported - Would benefit bowling club users mainly. No issues around the area with people using park for car parking.</p> <ul style="list-style-type: none"> • No supporting evidence within application from community. • Evidence: lack of parking in the area, but no connection with community stakeholders. No connection with CC or ongoing VIF parking work <p>Roads & Transportation - Location is away from the adopted road network. Only likely to benefit a small number of club users. Planning permission already granted (ref: 0169/FUL/19). Link to building alteration works, no involvement for Roads & Transportation required.</p>

MCA03	Mid Calder Bowling Club	Publically accessibly toilets	To provide modern and publically accessible ladies, gents and disabled toilets. Will be open to park users and town trade to use the facilities	£8,300.00	Property	<p>RECOMMENDATION: not to support</p> <p>Suggested Award: Nil</p> <ul style="list-style-type: none"> • No evidence of need • No evidence of support from community • No evidence of bowling club willing to promote the public accessible toilets within community or visitors being made aware that the toilets would be open during club hours through signage etc • Signage to promote would be WLC responsibility from the bowling clubs perspective. • There are already many facilities already open during the same hours that are more visible to community
MCA04	Mid Calder Bowling Club	Wi-Fi Broadcast over Public Park	Installation of broadband repeater on side of bowling club to provide free Wi-Fi to the park	£270.00	External	<p>RECOMMENDATION: not to support</p> <p>Suggested Award: Nil</p> <p>Not supporting - as this is an upgrade to their existing network with an addition of an external repeater and relevant power sockets, directed over the public park with no inclination of reach or range or evidence of need.</p> <ul style="list-style-type: none"> • Upgrade not capital • no evidence of need for WIFI in the Park • And no assurance it would actually reach the extent of the park/pitch area?
MCA05	Mid Calder CC	Gateway Signs	The main entrances into the town to have attractive welcome signs similar to other areas. Roads & Transportation could lead on this if standard gateway	£15,000.00	Roads/external	<p>RECOMMENDATION: to support</p> <p>Suggested Award: £15,000</p> <p>Recommendation:</p>

			signs are to be provided. If community wish bespoke gateway signs then this would require planning permission. Exact locations would require be identifying by the community and agreeing with Council services. Standard gateway signage would be managed by Roads & Transportation; bespoke signage would be managed by the community.			<ul style="list-style-type: none"> • Agreement with NETS and roads, • All planning permissions in place where required • Maintenance agreement in place with NETS for the planters • On-going engagement with roads and CC agreement between parties on managing deliverables throughout the project. <p>Roads & Transportation - Mid Calder has the council's approved gateways on all approaches. If bespoke signage is the community's preference then they would project manage delivery of new signs?</p>
MCA06	WLC Planning Services	Mid Calder Conservation Area	<p>Further feasibility study by Transportation Services (Project Design Team) of extension of Bank Street car park to west of existing i.e. to rear of the lodge;</p> <ul style="list-style-type: none"> - consideration of removal of inappropriate grey engineering brick wall in front of Black Bull and replacement with a better specification of material; - landscaping works to Gas Works Brae at entrance to village and to Calder Wood country park; - a Feasibility study to costs of re-painting Masonic Hall on Bank Street east and front elevations as a prominent building on the approach to the village; - a Feasibility study of repairs 	£50,000.00	Roads /Property/ External	<p>RECOMMENDATION: to support in part</p> <p>SUGGESTED AWARD: £5,398.75 from remaining underspend within the ward</p> <p>Roads & Transportation already delivering the car park work. The works are starting on the 7th October for duration of 8 weeks. Other elements need further discussion in light of this. Re-painting of Masonic Hall would not be a Roads lead.</p> <p>See comments. Planning permission may be required to change wall at Black Bull and Mid Calder Primary School.</p>

			to conservation ha-ha wall on Main Street, especially the collapsed wall section in front of Mid Calder Primary School.			
			TOTAL	£123,070		£57,000.00

Allocation underspend: £307.00

Town: Kirknewton (£53,418.00)

KIK01	Kirknewton Community Council/KCDT	Pavilion Enhancement Project	Creation of a community garden, purchase of garden furniture, fit solar panels, signage, creation of a pop up coffee bar and water station	£53,418.00	External	<p>RECOMMENDATION: to support</p> <p>Suggested Award: £53,418</p> <p>On recommendation that:</p> <ul style="list-style-type: none"> • The KCC&KCDT are in continued dialogue with WLC appropriate services on deliverables • and where appropriate and agreed can deliver externally within the given timeframe.
			TOTAL	£53,418.00		£53,418.00

Town: Pumpherston (£48,609.00)

PUM01	Pumpherston Community Council	The Hutch	Funding to build a bespoke community space, located at Pumpherston Juniors FC which would enable a number of planned projects to take place.	£48,605.99	External	<p>RECOMMENDATION: to part support in principle</p> <p>Suggested recommendation: £42,803.49</p> <p>Recommend to support in principle on condition of:</p> <ul style="list-style-type: none"> • Further breakdown of Sundries £8,460.00 and that all is capital costs. • Planning being at £200, admin Timebank not regarded as capital, • Broadband would need to show it will be sustained and maintained beyond the initial period.
