Applicati on Code	Applicant	Project Name	Brief Description of project	Scale of Funding	Delivered By	Recommendation /Priority
						<ol style="list-style-type: none"> <li>1. The project would need to be delivered by WLC, this is the applicant's request. The costs are general but based on costs used in another project so would need to be firmed up in consultation between WLC and the applicant.</li> <li>2. The costs as broken down are likely to be refined through this and the recommendation is to support based on what can be agreed and delivered within the £33,000 budget which will remain in-house.</li> <li>3. Agreement on location and maintenance issues to be agreed between the applicant and WLC Parks and woodlands and (NETS) and Road and Transportation.</li> </ol>
LIN08	Friends of the Rose Garden	Renovation of Linlithgow Rose Garden	Improve Soil Quality, Replace Grass, Replaces paving and edging, fit benches, install an information board	£23,000.00	External	<p>Recommendation not to support.</p> <p>There is an existing project in development with funding awarded by the Town Management Group to develop the garden as a peace garden and appoint a consultant.</p> <p>NETS also note that the applicant would need to take on responsibility and it is not clear that they are either constituted or wishing to do. The applicant has indicated that the preference is for WLC to lead.</p>
