Drawing/Layout for Quote

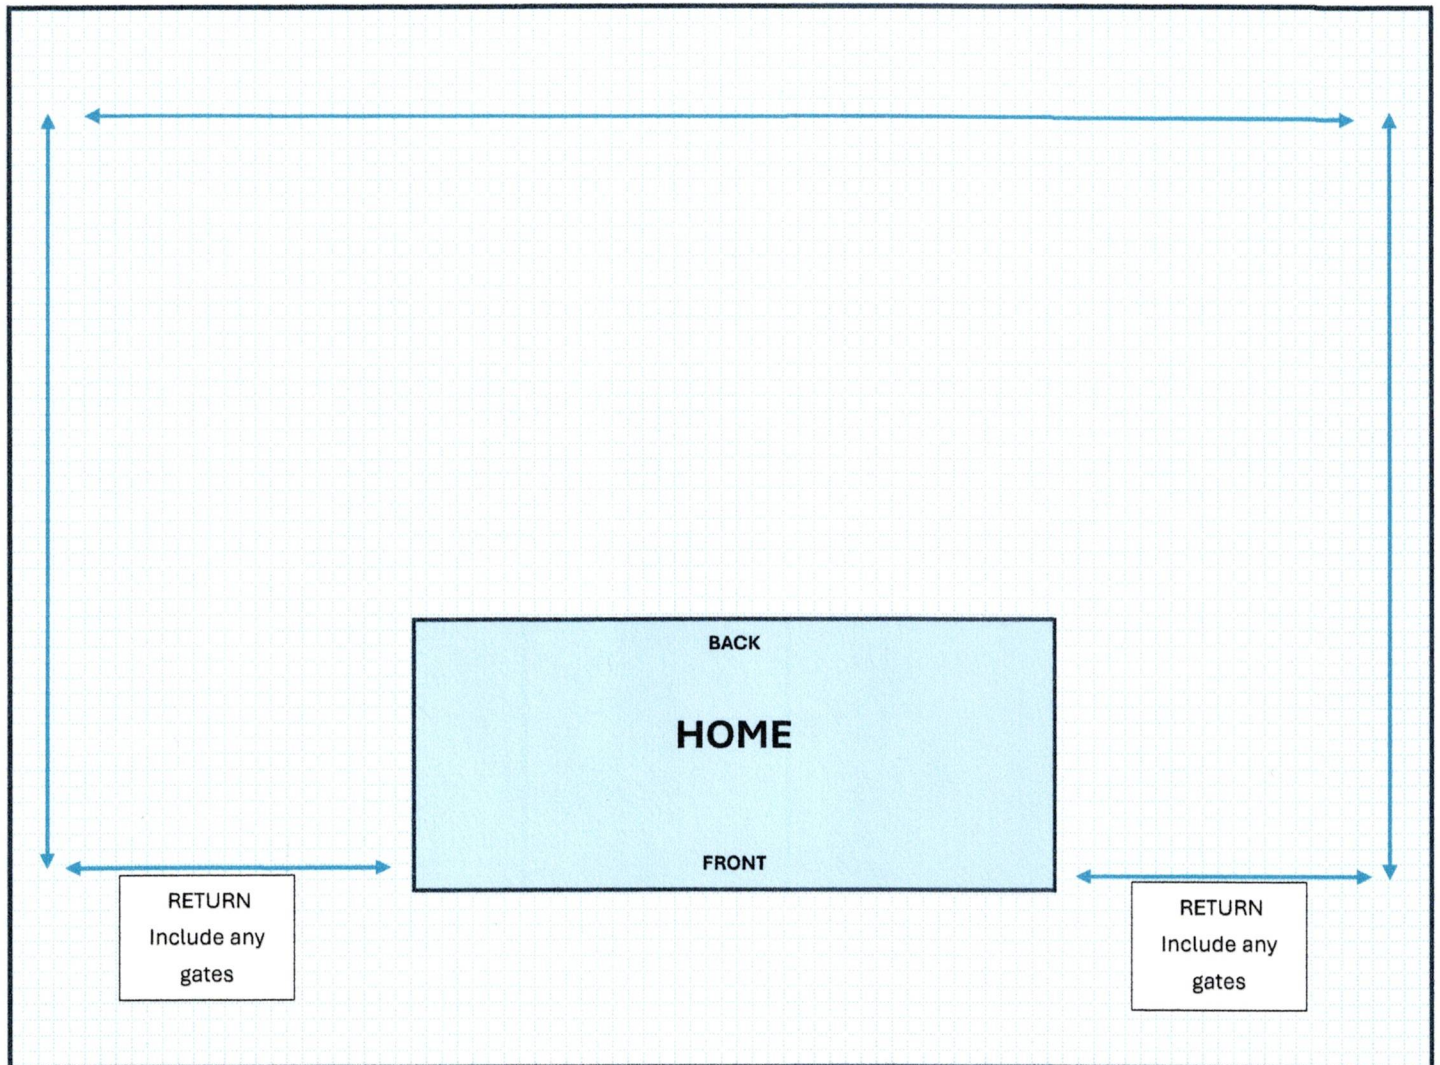

Company Name _____

Customer Name/PO _____

Fence Type _____

Fence Height _____

Fence Color _____

Measure all areas to be enclosed by the fence and record measurements in respective areas of the grid. On the “return” areas of the grid, please show the gate openings where you intend to have your contractor install them. If you plan on additional gates outside of the “return” areas, please show those accordingly.

****Quotes generated from the above drawing will ONLY include the materials needed for the measurements provided. Take-off services are a courtesy to the customer and should be double and/or triple checked for accuracy before placing your order****
