

# Archers of Bingham

## Club clothing (April 2026)

We have put together items of club clothing for members, which we hope you will be interested in purchasing. We have the existing competition shirts (from Lionheart) and also have a range of 'casual' clothing, including shirts, hoodies and jackets.

### 1. Competition shirts

The multi-coloured competition shirts are from a supplier called Lionheart.

The shirts are customised on the front and back with the archer's name, with different logo positions for LH and RH archers (so a chest guard doesn't cover it). Custom sizes can be made if the standard size doesn't suit and the standard sizing includes Straight, Tight and Half-tight fit.

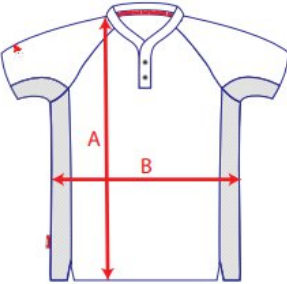

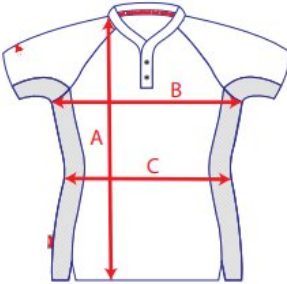

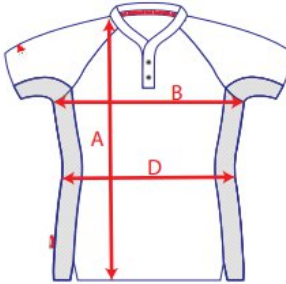

Size chart is as follows:

Adult:

	<b>Straight</b>		<b>Tight</b>		<b>Half Tight</b>

## Price

All shirts, regardless of size cost £45.

## 2. Casual clothing

We have now put together a range of casual clothing in addition to the competition shirts. Casual clothing will be supplied by Logomeup and the idea is for these to be used for practice and general wear. Note that you can still wear your competition shirt for practice if you prefer!

Plain navy has been chosen as the club colour for this range, although some items also come with a grey version. The logo used on the clothing will be the stylised archer plus the words 'Archers of Bingham' as per the standard logo. You have the option for your name to be embroidered/printed under the logo at a small additional cost.

The logo and name will be embroidered or printed depending on the material of the item and this is made clear in the descriptions below for each item. For example, polo shirts and hoodies will be **embroidered** whilst coolwick shirts and soft shell jackets will have the logo/name **printed** as the material better suits printing.

For each item, we have included size charts and costs.

## Polo shirts

Logo will be **embroidered** on the left hand side, with the words 'Archers of Bingham' and the archer's name (if included) embroidered in white.

## Soft Shell Jacket

There are two options for soft shell jackets: the Uneek Classic (unisex) and the Regatta Ablaze. The Uneek jacket is the thicker jacket, so it is warmer than the Regatta jacket. However, because it is thicker, the Uneek jacket is more bulky and so may impact an archer's shot, meaning that if the jacket is to be worn when actually shooting, the Regatta jacket would probably be better. Note that the logo/name will be **printed** onto the jacket on the left hand side with the words 'Archers of Bingham' and the archer's name (if included) printed in white.

The options are:

Navy Uneek Classic Full Zip Soft Shell Jacket (UC612)

**Notes:** Thicker jacket (325gsm) so better for cold, windy days and recommended to be worn between shooting ends. Fully windproof. Unisex.

**OR:**

Regatta **Ablaze** Printable Soft Shell Jacket (RG627) for men and

Regatta Ladies **Ablaze** Printable Soft Shell Jacket (RG628)

**Notes:** Thinner jacket (265gsm) than the Uneek jacket so is better for movement/string clearance if it is worn when shooting. Water/windproof. Comes with or without contrast for both men and women.
