

## Announcement

### Equivalent Training Programs for FAPA CP Fellowship (FACP)

FAPA College of Pharmacy (FAPA CP) is pleased to acknowledge the following training programs certified as equivalent to Fellowship of FAPA CP (FACP):

1. Board Certified Pharmacotherapy Training Program
2. Board Certified in Pharmaceutical and Health Consumer Protection Training Program
3. Board Certified Herbal Pharmacy Training Program
4. Board Certified Industrial Pharmacy Training Program
5. Fellowship in Pharmacy Administration Training Program
6. Fellowship in Community Pharmacy Training Program

Graduates from the aforementioned programs are considered qualified candidates for FACP, provided the following criteria are fulfilled:

- **Publications and Academic/Professional Work:**
  - Submissions must be in English or translated into English.
  - Dissemination of work in any publicly accessible format is essential.
- **Ethical Standing:**
  - No engagement in illegal or unethical practices identified.

This recognition highlights the commitment of individuals who have successfully completed these certified programs to the field of pharmacy. We invite eligible candidates to apply for FACP, as outlined in our recent Fellowship Application announcement.

For further details on the Fellowship Application process, please refer to the official announcement or visit <https://fapa-cp.org/>. We look forward to acknowledging and celebrating the accomplishments of our esteemed candidates.
