FAPA CP Regalia Gown

1. Gown Body:

- Made from black matte dull finished fabric
- Long gown, length extending about mid-calf
- Pointed collar with a full-length front slit
- Hidden zipper closure with hook eye clasp
- Each side of the front features a 5.5 inch wide of pressed pleat and covered with 4 inch wide of olive green velvet panels draped down along the edge of the front slit and wraps around the neck
- Detailed back neck design with button to attach academic hood
- Detailed fluting along shoulders and yoke panels
- Gathered pleating around back and shoulders

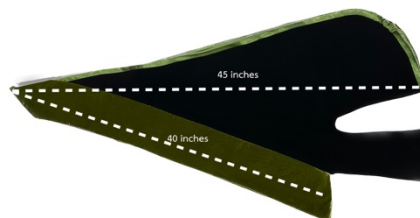

2. Sleeves:

- Wide, free-hanging sleeves, draping design
- The back of the sleeve ends in a pointed hanging 4 inches above gown length,
- The end of sleeve open with 30 inch in width (60 inch circumference)

3. Hood:

- Rectangular shape made from black matte dull finished fabric (same with gown)
- Olive green satin lining
- The front overlay is made of 12 cm wide of olive green velvet with a pointed front
- The front edged with olive green satin lining with a 1.5 cm wide
- Hood approximately 18.5 inch wide and 45 inches in length from the front corner to the end of the black fabric; the velvet panel measures 40 inches from one pointed end to the other at the back.

4. Cap:

- Black Velvet Tudor Bonnet: soft-crowned, 10 cm, round-brimmed cap
