

HR Healthy Hub Open Enrollment Happening Now!

If you haven't already completed your Open Enrollment, please take a few minutes to do it by the deadline of this Friday, September 5. Open Enrollment is the only period of time during the year when you can make changes to your benefits without a qualifying event. This is a mandatory enrollment period, so if you decide to waive coverage on any of the various plans, you must still complete the process through Paycom. We have continued to enhance the process in Paycom, so you are able to compare plans and medical options.

Things to keep in mind when enrolling, check your beneficiaries to ensure they are still correct, do you need to add or change them, if you are increasing your life insurance or signing up for new programs, remember to complete your EOI (Evidence of Insurability).

- Log into Paycom Employee Self Service Portal, Select Benefits, and the Plan year 2026 Enrollment.
- Select Start Enrollment
- Follow the enrollment instructions
- Review your selections and the total dollar amount as this is PER PAY PERIOD.
- Submit and Finalize before you log out.

If you have any questions or concerns, please contact HR at HR@andersonauto.com, or call the Benefits Education Center at 1-866-916-1404.
