Important Update: Your Year-End Tax Form 1095

Heads up! The IRS requires the 1095 form for individuals enrolled in a qualified health plan through the Health Insurance Marketplace. This form helps you claim premium tax credits and file an accurate tax return.

Here's what's new: Starting with the 2024 tax year, your 1095 will no longer be automatically mailed to you. But don't worry, we've got you covered! We've taken proactive steps to make it super easy for you.

Where to Find It: Your 1095 form will be readily available in your ESS (Employee Self Service) account on Paycom. Need a hard copy? Simply request it from HR, and we'll take care of the rest.

Let's make tax season a breeze!
