## Healthy Hub

### Savings for the Future:

Have you been considering changing your contributions, or better yet, signing up for the company 401K plan?

Brian Springberg, our Financial Advisor, will be visiting all Anderson store locations the week of June 17th, 2024. Watch your store for posted hours. This will be the time to make any changes, effective July 1st, 2024, with your first payroll deduction on July 19th, 2024.

Tips to remember, this is a savings account for retirement, so pulling funds out before you are 59 ½ can cause undue penalties and reduce the amount of payout. You are able to request a loan which pays yourself back with interest.

If you would like to speak with Brian before he arrives his number is (928) 855-9421 or email him at [brian@springbergmccandrew.com](mailto:brian@springbergmccandrew.com).

### Beat the Heat

The heat of summer is approaching and just some tips to remember, heat escapes through the skin, so the more skin you can keep cool the better, always wear sunscreen, stay in the shade the best you can, eat light meals to feel cooler and of course Drink Plenty of Water. Take care of yourself through these high heat days!!!!

Should you have any questions or concerns: HR is available to answer any questions. [hr@andersonauto.com](mailto:hr@andersonauto.com)
