

NAVHDA AIMS & RULES CLINIC

Hosted by the Cyclone NAVHDA Chapter

April 27-28, 2024 – 7:30 AM

The Aims & Rules Clinic is an educational tool developed by NAVHDA to help dog owners and handlers understand the NAVHDA testing system. The clinics are conducted by designated NAVHDA Senior Judges and Clinic Leaders. The Aims & Rules Clinic will cover a variety of topics over two days, including informal classroom style instruction on the NAVHDA philosophy, test mechanics and the scoring system for each test. Participants will also take to the field and water to judge and score dogs being run in a mock test setting. After each section the participants and the Clinic Leader will discuss the dog's performance, where the performance would fall in the NAVHDA scoring system, and any strengths or weaknesses in training and handling. Many Clinic Leaders also include helpful tips and tricks on handling dogs in NAVHDA tests.

WHO SHOULD ATTEND AND WHY?

- People with their first pup see how other dogs work and gain insight into what their pup is doing and why. This helps them to develop their pup's talents and improve performance in weak areas.
- Novice handlers learn how NAVHDA evaluates versatile dogs, and are better prepared to handle their dogs in a test.
- Experienced handlers gain a deeper, more technical knowledge, of how the team of dog and handler are judged.
- Breeders learn what to look for in their breeding stock and their progeny, and how to use NAVHDA records obtained through our Test Records for selective breeding.
- For aspiring NAVHDA Judges, attending an Aims & Rules Clinic is one of the first steps in our Apprentice Judge Program.
