Dear Deacon and Deaconess Lang:

We write to express genuine gratitude for the outstanding meals you prepared for our family, following the committal service for my late husband, Bob Ligons. Also, we are pleased about the special things you did to accommodate how we fellowship during this pandemic.

The packaging of meals by family and the delivery service simplified our lives that day. Finally, I am delighted that the plant-based meal was so well prepared. It was attractive, tasty and nutrient-dense. Such thoughtfully prepared plant-based meals are rare. Thank you, ~~thank~~ you for service of high quality.

Yours truly,

Claudette Ligons and Family
