### **Youth Safety Zones: First Week of June**

We're preparing for an incredible outreach during the first week of June! Your prayers and support make these life-changing events possible. If you feel led to contribute supplies, please visit our Amazon Wish List on our website [www.YouthActionMinistries.com](http://www.YouthActionMinistries.com). Every donation helps us create safe spaces for youth in our communities.

### **Special Prayer Request**

**Prayer Request: Ongoing Health Challenges** We ask for your continued prayers as Becky is learning to manage ongoing pain. The virus she battled in early 2024 has left a significant impact on her body. Your prayers are deeply appreciated as she adjusts to these challenges and continues serving despite them.

**Celebrating God's Work Through YouthFluential!** What God is doing through our ministry is nothing short of remarkable! Our YouthFluential Ministry is reaching souls across multiple platforms:

Our YouTube channels are touching 5,000 lives daily, social media platforms are reaching 2,000 people every day. Our website ministry averages 6,000 views annually. These combined efforts are reaching over 2.5 million people yearly with the Gospel! In just three years, we've witnessed nearly 5 million views of content sharing Christ's message of salvation. And friends, this is just the beginning of what God has planned!

### Tony's Heart for Ministry: 37 Years of Faithful Service

For nearly four decades, Tony has been answering God's call to take the gospel directly to communities across our nation. With his faithful wife by his side and often their family in tow, they've been traveling from church to church in their RV since 1987, making sacrifices that only a heart truly devoted to Christ would make.

Picture this: countless miles on the road, sleeping in different places night after night, all because Tony believes every child and young person deserves to hear about God's love and learn how to stay safe in an increasingly dangerous world. This isn't just a job for Tony — it's a calling that has shaped his entire adult life.

When Tony pulls up to your church with that familiar RV, he's not just bringing programs and presentations. He's bringing decades of experience, a lifetime of stories, and a heart that beats for the next generation. Your youth will see someone who gave up the comfort of staying home to make sure they heard the message that could change their lives forever.

We would be deeply honored to bring this ministry to your church family. Whether it's a powerful weekend event or a transformative week-long outreach, Tony is ready to park that RV in your lot and pour his heart into your community.

Isn't it time your church experienced the impact that comes when someone with 38 years of faithful road ministry invests in your young people? Contact us today to schedule Tony's life-changing Safety Zone ministry at your church.
