Street Safety Zones

Streets of Kensington Ministry: Our June

Kensington outreach was a phenomenal time of sharing the gospel with many passersby! I was blessed by our team of associate evangelists and leaders who helped us share the good news and counsel the many people who stopped by to visit with us. Our food distribution was also a great success.

Thank you for your faithful prayers covering this outreach. As we prepare for our next outreach coming up soon, please continue to keep us in prayer as we assemble our team of leaders and associate evangelists.

Youth Safety Zones

Youth Safety Zones: What an incredible blessing! Our latest outreach saw upward of 60 students coming out to the Youth and Kids Safety Zone. I'm sensing that many students are hungry and in need of hearing the refreshing message of the gospel. I'm sure this is something they don't normally hear, and it's clearly something that draws them in. Once again, there were several dozen students responding to our counseling invitations to trust in the Lord as their Savior, along with addressing other critical spiritual matters in their hearts. Please keep me in prayer as I prepare for our next set of Youth and Kids Safety Zone meetings coming up. We're having a tremendous opportunity to reach our goal of ministering the gospel to 1,000 students this year in 2025.

SAFETY ZONES OF AMERICA

Tony's Heart for Ministry: 37 Years of Faithful Service

For nearly four decades, Tony has been answering God's call to take the gospel directly to communities across our nation. With his faithful wife by his side and often their family in tow, they've been traveling from church to church in their RV since 1987, making sacrifices that only a heart truly devoted to Christ would make.

We would be deeply honored to bring this ministry to your church family. Whether it's a powerful weekend event or a transformative week-long outreach, Tony is ready to park that RV in your lot and pour his heart into your community.

Isn't it time your church experienced the impact that comes when someone with 38 years of faithful road ministry invests in your young people? Contact us today to schedule Tony's life-changing Safety Zone ministry at your church.

Our New Gear for Traveling to the churches to share our Safety Zones of America, Thank you to all those who helped us with this project.
