

## Safety Zones of America Spring 2026

### The Day Lives Were Changed A Report from the Field — Youth Safety Zone Ministry

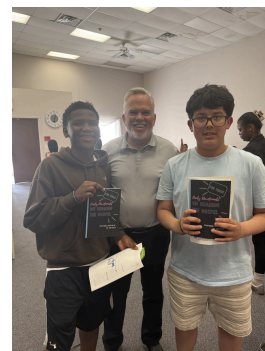

Dear Praying Friends,

What an exciting month of May it has been as we reached youth for Christ!

Our team of associate evangelists and I had awesome outreaches in the Upper Darby and West Philadelphia area, with 75 students coming out to enjoy our **Youth and Kids Safety Zone**. Many responded to the invitation to trust Christ as Savior, with over 25 students publicly declaring they are trusting in Christ as their Lord and Savior. It really cannot get any better than that! Thank you for your faithful prayers as we continue to reach out in this area.

Our **Kensington outreach** was once again a true miracle of God's grace. We witnessed many adults asking for counseling to get off drugs and to trust in the Lord as their Savior. It was a rainy, cool day, but the Lord gave us the grace and strength to prevail. We once again saw many listening to our message of salvation through Christ alone. Thank you for your faithful prayers and encouragement as we pressed on to see the gospel reach out in this needy area.

We also finished up a special ministry and teaching challenge with our friends at **Victory Baptist Church in Fairhaven, Massachusetts**. The Lord blessed us with many coming out to the services, and we had great liberty in our preaching and teaching ministry. Thank you for your prayers as we traveled up to Fairhaven and back. It was a wonderful time of ministry.

Every soul matters. Every gift counts. Thank you for helping us reach that one student who needs to hear the gospel today.

## **Prayer Requests**

Please continue to remember Becky in prayer for her health, as this remains a continuous need we bring before the Throne. We are rejoicing in a great spring for her health so far and are trusting in the Lord for continued strength this summer. Tony's back has also been doing well, with no serious issues this past spring. Thank you for remembering us both in your prayers.

Our future forecast of outreach is building up very serious steam! We kick off June with a Safety Zone outreach week, with a team of associate evangelists working with us each day in our Kensington and Youth Safety Zones. We finish the month with more Safety Zone ministry, and then in July, we have our Reach the Beach week along with four more Youth Safety Zones. The next eight weeks will be filled with much intense outreach. Thank you for continuing to pray for us.

We love you and thank God for you!
