

Safety Zones of America Spring 2026

The Day Lives Were Changed

A Report from the Field — Youth Safety Zone Ministry

At our last Youth Safety Zone, something beautiful unfolded — the kind of moment that reminds us exactly why we do what we do.

Our team of dedicated youth leaders sat down with each group of students and shared the gospel with them. We often use the gospel bracelets to explain the message of salvation in a way students can truly relate to — and then, opening the Scriptures together, we gently ask them to trust the Lord Jesus Christ as their personal Savior. And as has happened so many times before, students bowed their hearts and prayed to receive Christ.

But we are always watching. Always looking for that one student — the one whose eyes linger a little longer, whose questions go a little deeper, whose heart is quietly reaching for something more. When we find that student, we place a prepared Bible study in their hands and speak life into their soul. Because the moment of salvation is only the beginning.

Who will give these students the gospel? Who will pray for their soul to be saved? Who will take the time to walk alongside them and disciple them?

Youth Action Ministries desires to be that answer.

To date this year, we have ministered the gospel message to 320 students and family members. Our goal for 2026 is to reach 1,000 souls with the good news of Jesus Christ — and we are well on our way.

We Go to the Streets

But the work does not stop at our Safety Zones. The streets of the city are filled with stories — stories of loss, of searching, of quiet desperation. We go in the winter. We go in the summer. We go whenever our schedules allow, because the need never takes a day off.

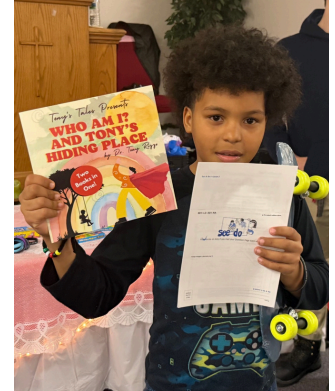

We go to listen to those stories. And then we offer the only answer that truly matters — the love of Jesus Christ, and the salvation that is found in Him alone.

That is why we go.

Prayer Requests

We are grateful for every prayer warrior who lifts this ministry before the throne of grace. Here is how you can pray with us:

- Pray for the 320 students and family members who have already heard the gospel this year – that seeds planted would take deep root and bear lasting fruit.
- Pray for that one student at every Safety Zone whose heart is quietly seeking – that the Holy Spirit would draw them to saving faith in Jesus Christ.
- Pray for our team of youth leaders – for strength, boldness, and wisdom as they share the gospel in the streets of Philadelphia.
 - Pray for our 2026 goal to reach 1,000 souls – that God would open doors, provide resources, and go before us in every outreach.
 - Pray for the families in our city who are struggling – that they would find hope, healing, and the love of Christ through our ministry.
 - Pray for Dr. Tony Rizzo and Becky as they lead Youth Action Ministries – for health, provision, and continued passion for the lost.
