# Kids Safety Zone Book Club

The Kids Safety Zone Book Club is your opportunity to get the gospel in little hands and hear the precious message of God's love and salvation. The staff here at YAM produces books with the gospel written for children ages 4-12. The spirited messages and exciting pictures show how God works in people's and children's lives.

You can have a part in bringing the gospel to youth and children that you may never meet but can influence their lives.

Each book shows and tells a story about Tony's life and explains how the Lord worked in his life. The message of salvation and God's special protection is in each story.

## How You Can Help

The Monthly Book Club is a financial commitment to support this ministry of getting the gospel to the youth in the inner city. We actively participate in our Kids Safety Zones in different churches and schools, sharing the gospel in each Kids Safety Zone and then giving each child a book with the gospel message.

## Become a Monthly Book Club Member

- **1.** You can donate one book for \$25. This will give a child a Hardback or two paperback books. This also includes a special Bible Study for each book, which the child can complete and connect to our monthly **Kids Safety Zones** online and at live events.

You can help us with the monthly **Kids Safety Zones** and give a book to a child in the inner city every month. \$25. a month. We want to get 12 books to each student. This costs us \$300 per student. You can partner with us as we invest in the lives of these young people.
