

LORD AND RIZZO MEDIA PRODUCTIONS

Owner: Tony Rizzo

We Come to You - Professional Media That Makes Your Business Unforgettable

Your Story Deserves to Be Heard

With 7 years of experience and thousands of videos produced, we bring broadcast-quality production directly to your location. We create your own podcast and business promotional content that makes you look and sound like the industry leader you are. No studio needed - we come to you with professional Sony A7 IV cameras, studio-grade mics, and cinema lighting.

Our Services
