

RAM TRUCK PROJECT

A Bittersweet Farewell

After faithfully serving our ministry for years, our beloved 2007 Suburban has reached its journey's end. Today, with heavy hearts, we received the devastating news from our mechanic—critical rust damage has compromised the vehicle's foundation. This trusted companion that has carried us countless miles in service to the Lord must now be retired.

A Ministry in Motion

Imagine the faces of those we've reached across the country—youth finding hope, leaders discovering new paths of ministry, and communities transformed through our Safety Zone Ministry Concepts. All of this outreach depends on our ability to travel reliably and safely from state to state, bringing God's message wherever we're called.

The Urgent Challenge Before Us

Today, May 1st, we're stepping out in faith to launch our "Ram Truck Project." This isn't just about replacing a vehicle—it's about ensuring the continuation of our vital ministry work for the next ten years and beyond. Every mile represents another opportunity to change lives through Christ's love.

A Vision of Continued Service

Picture a reliable Ram truck pulling our 9,000-pound trailer along highways and country roads, loaded with materials that will equip churches and camps with life-changing ministry tools. Envision the countless conversations, prayers, and transformations that will happen because we can reach these destinations.

Our Step of Faith

Through careful stewardship, we've already secured \$20,000 toward our \$48,000 goal. Now we're trusting God to provide the remaining \$28,000 through the generosity of supporters like you who believe in this mission.

Your Opportunity to Make a Difference

When you contribute to this project, you're not just helping purchase a truck—you're fueling journeys of transformation, you're extending our ministry's reach, and you're joining hands with us in answering God's call to service. Every gift, regardless of size, becomes part of something greater than ourselves.

A Heartfelt Appeal

Will you prayerfully consider what special one-time gift the Lord might lead you to contribute to this urgent need? Your generosity today will echo through countless lives tomorrow as we continue sharing God's love across the nation.

With grateful hearts and unwavering faith,

Dr. Tony & Becky rizzo

But my God shall supply all your needs according to his riches in glory by Christ Jesus. Phil 4:19
