From The Personal Desk of Dr Tony Rizzo

Dear Praying Friends

We want to say a heartfelt thank you to the many of you who have been faithfully praying for us and for our work of taking the gospel to the youth of America. You are a tremendous encouragement to me and to the entire ministry of reaching young people for Christ. Thank you from the bottom of mine and Becky's hearts.

Our outreaches over the last two months have been nothing short of tremendous. We held four outreaches in the last seven weeks, and it is always a great joy to see the many happy faces — and yes, sometimes not-so-happy faces — when we bring them the gospel. You know, there are students out there who genuinely want to know about the Lord. And we find them every time we go out.

As we close out the first quarter of the year, we want to be transparent with you. Our budget has reached a critical point. We are currently \$1,500 short on our housing, and with taxes due — both personal and for our housing — the financial pressure is real, and the goal feels towering. We are trusting the Lord for His perfect will to be done.

We are asking two things of you: please pray for us, and if the Lord leads you, consider a special gift to help us continue pressing forward with the gospel every single day. Please use the enclosed envelope for the gift you would like to send to our work, or use our secure website server on YouthActionMinistries.com.

Thank you for your prayers. We hope and pray that the Lord is blessing you and yours, and we are pressing on toward that high mark in Christ Jesus. (Philippians 3:14)

Yours For Christ,

Dr. Tony Rizzo
