

YOUR A VERY SPECIAL MINISTRY PARTNER

Champions For Christ

I Really Need Your Help
A Special Request

**Hello Praying Friend,
Youth Safety Zone**

Champions For Christ

The images above capture joyful moments from our recent Youth Safety Zone outreach. What a blessing it has been to share the gospel with these wonderful young people! Their smiles, excitement, and genuine hunger to hear the Word of God remind us daily why this ministry matters.*

Our Mission in Inner-City Philadelphia

For 44 years, I've been privileged to reach students for Christ, but today's challenges are unlike any we've faced before. In inner-city Philadelphia, many young people are searching for hope and purpose without anyone to guide them toward faith. We desire to help as many of these young people as possible.

Join Our Vision: 100 Champions

We're seeking 100 faithful supporters to join our Champions For Christ Family. This committed group of monthly partners will create sustainable funding that allows us to plan effectively and expand our reach to more neighborhoods in need.

Your Impact as a Champion For Christ

When you become a Champion For Christ with a monthly gift of just \$10:**

- * You provide safe, supervised environments where youth can experience God's love
- * You help fund Bibles and educational materials that many families cannot afford
- * You support mentorship programs that build character and faith foundations
- * You make possible special events that create meaningful connections with local youth

Your \$10 Monthly Gift Changes Lives

Think about it—for about the cost of two specialty coffees per month, you can help introduce young people to Christ and provide ongoing spiritual nourishment in an environment where positive gospel influences are scarce.

Join Our Family Today

Please prayerfully consider becoming a Champion For Christ today. Your partnership means everything to these children and to our dedicated team.

To make your secure monthly donation of \$10.00 a month, please visit our website at **www.YouthActionMinistries.com** and click on "Champion For Christ."
