## Investing In The Lives of Our Next Generation

## WELCOME TO OUR CHAMPIONS

## FOR CHRIST FAMILY

I would like to invite you to invest into the lives of young people for the sake of the gospel and for young people to be mentored in the things of the Lord and the Word of God.

### Champions For Christ:

After 44 years in youth ministry, I've witnessed unprecedented challenges facing today's young people.

Many search for hope without guidance toward faith.

Join Our Vision: 100 Champions. We need 100 monthly partners to create sustainable funding for expanding our reach to more neighborhoods.

### Your \$10 Monthly Impact:

- Provides safe environments where youth experience God's love
- Funds Bibles and educational materials
- Supports character-building mentorship programs
- Creates meaningful connections through special events

For about the cost of two specialty coffees monthly, you can introduce young people to Christ in areas where positive gospel influences are scarce.

Please prayerfully consider becoming a Champion For Christ. Visit

and click "Champion For Christ" to make your secure \$10 monthly donation.

With gratitude, Dr. Tony Rizzo Executive Director, Youth Action Ministries
