We need Champion For Christ's Friends of our ministry to help us with our Safety Zone ministry every month. This will help us train students to counsel and reach youth for Christ. For \$10.00 a month, you can help us take the gospel to young people in America. 100% of your donation is used to help reach youth for Christ.

WHY BECOME A CFC?

Help us share the glorious light of the gospel with the dark world. Your gift will make a difference!

We are a faith-based ministry and operate **ONLY** on what the Lord brings into this ministry by gifts from friends like yourself. We are co-laborers together, seeking that one soul to be saved.

100% of the donations go to providing and preparing Safety Zones.

HOW DOES IT WORK?

For \$10 a month, you will become a Champion for Christ Team Member.

You will receive a pin and certificate of membership, monthly updates, private videos on our inner workings, a new book from our Tony's Tales Children series, and evangelism leadership training every month.

Your membership will sponsor a student in our safety zones, provide supplies for the event in your name, and sponsor an associate evangelist.

WHAT DOES A CFC SUPPORT?

Safety Zones are our primary mission to share the Gospel with young people in the inner city. We spend many days promoting and preparing for the events, gathering supplies, food, and volunteers to help. We go to the schools and local communities to connect with the young people and invite them out. We share food, games, and the Gospel in a safe and engaging environment during the events. The young people hear the Good News of Jesus Christ and are connected with local churches to continue growing and knowing about the Lord.
