"And the lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my house may be filled." Luke 14:23

Dear Friends and Partners in the Gospel,

The past thirty days have been some of the most exciting we've had in a long time! Our ministry has had the special privilege of bringing our "Saved to Share" evangelism training to three different churches. Nothing thrills my heart more than seeing God's people catch a passion for winning souls. That is the heartbeat of Youth Action Ministries: that the lost would be saved, and the saved would learn to share.

Our first Saved to Share conference was with the Men's Bible Study at Aldan Union Church. I had the joy of teaching four sessions with a wonderful group of men on how to share the gospel. We covered many practical topics, including how to give your personal testimony, how to start a conversation about Jesus, and how to lead someone to Christ, with a special focus on the opportunities men have to share their faith at work, at home, and everywhere they go. I came away unusually encouraged. These men are hungry to learn how to tell others about Jesus, and I believe the Lord is going to use them in a mighty way.

Next, we brought the Saved to Share conference to North Chester Baptist Church in Chester, PA. What a thrilling time we had! We dug into the details of giving your testimony, using the Word of God, and presenting the gospel message clearly to the many people the Lord brings across our path every day. The church was encouraged and revived in the area of evangelism, and we praise the Lord for this special congregation in Chester.

Our third Saved to Share conference was at Concord Baptist Church in Wilmington, Delaware. The church family worked through the Saved to Share study guide along with our brand-new book, Saved to Share, going question by question, answering each one together, and talking through how every principle applies to everyday life. It was exciting to see the enthusiasm on people's faces as the lights came on and they realized, "I can do this!" I truly believe the Lord has opened a great door for us to encourage churches and believers to share the gospel.

Would you like the Saved to Share conference at your church? I am looking for more opportunities to bring this conference to churches, Bible studies, and men's and women's groups, teaching God's people the joy of evangelism and the strength it brings to the church today. Please reach out, and let's get a date on the calendar!

We are also thrilled to announce an exciting new ministry: Tony's Tales Kids Club! Every month, members receive a Tony's Tales storybook in the mail along with a fun-filled newsletter packed with Bible stories, Bible mystery clues, puzzles, and stickers, all designed to help elementary-age children love God's Word and learn to live a godly life. I've written twelve books in the Tony's Tales series, sharing stories from my own life and the Bible messages I love to preach, and now we get to put them right into children's hands every month.

PRAY FOR US THAT WE WILL HAVE AN OPEN DOOR TO WALK THROUGH WITH THE GOSPEL!

Would you like your children, grandchildren, or a special child in your life to receive a book and newsletter in the mail each month? Simply fill out the enclosed sign-up sheet, or sign up online at OneBookOneChild.net or TonysTalesKidsClub.com.

Membership is offered for any donation to the ministry. It costs us about $8 a month to produce each book and newsletter and mail it out. If you're able to give more, every extra dollar helps us send the club free of charge to families who couldn't otherwise afford it. No child will be turned away! We're so excited about the many children who have already signed up, and we're praying to see souls saved and young hearts revived.

That's what we're all about here at Youth Action Ministries: encouraging young people and families to grow in the Word of God, learn about the love of Jesus, and tell the world about Him. As our slogan says, "I just want to tell the world about Jesus. That's all I want to do!" Praise the Lord!

Thank you for your friendship, your encouragement, and your faithful support, which is so desperately needed in these dark days. Please don't stop remembering us in prayer, and please prayerfully consider a financial gift to help us carry the gospel to young people across America and into the inner cities where we minister every month.

Thank you for your prayers and your love. May the Lord richly bless you!

Ministry Availability: - through the next 12 months

Tony travels extensively up and down the east coast of the United States to churches and Christian Schools, ministering through Kids Safety Zones, Youth Safety Zones, and church-wide preaching meetings. One of the ways we get there is by RV — did you know Tony has been traveling by trailer for 37 years, often with Becky and the family alongside? We would love to bring the RV to your church and minister to your youth and families.
