January 2026

Thank you for standing with us in this vital ministry. Your prayers, financial support and encouragement make all the difference as we reach the lost with the love of

Christ

Dear Praying Friends,

"For the which cause I also suffer these things: nevertheless I am not ashamed: for I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day." — 2 Timothy 1:12 (KJV)**

WOW! The year 2025 was a hypersonic-speed whirlwind of ministry! The Lord gave us tremendous increase in sharing the gospel with the many we met, and countless students trusted in the Lord as their Savior!

Our Youth Safety Zones were so exciting and filled with tremendous energy spent on the work of sharing the gospel. Not a single week went by without us taking the gospel out to the highways and byways. I can't remember a year where we had so many gospel conversations and opportunities to lead young people to the Lord. It is because of the Lord going forth with His might and power. It is because of friends like yourself praying for us and supporting us in our work of missions. Thank you from the bottom of our hearts!

2025 Ministry Highlights

Youth and Kids Safety Zones

Our Youth and Kids Safety Zones were incredibly well-received, with over ****1,800 documented students**** coming to our meetings and hearing the glorious gospel message. We saw over ****200 students**** trust in the Lord as their Savior who were counseled in our meetings and publicly made their decision known to their friends and family. Thank you for helping us reach out once again for another successful year!

Street Safety Zones

Our Street Safety Zones were filled with exciting outreaches in the inner city of Philadelphia. Our ground zero was in the Kensington area, with other outreaches at the 69th Street area. There we saw hundreds stop for literature and counseling to trust in the Lord as their Savior. Our discipleship ministry of mentoring the many youth and adults who came out with us on our Street Safety Zones is always an encouragement to our ministry and a key reason why we serve in this work.

Church Ministry and Speaking

We traveled extensively to over a dozen churches this year, serving in their services and ministering the gospel to the many in attendance. We always enjoy the opportunity to bring a transformational message of revival, evangelism, and missions to these churches. Thank you for your prayers for us in our outreaches and Church Ministry Teaching.

Youthfluent Digital Ministry

Our Youthfluent Digital Ministry on YouTube continues to grow! We have five channels dedicated to ministering the gospel to viewers around the world. This year we had ****2 million views**** and **thousands of comments** from people who were ministered to by the Word of God, piercing their hearts to draw closer to the Lord. Of course, there were many who commented about trusting in the Lord as their Savior, which always encourages us in this work of ministering the gospel on YouTube.

Our Youthfluent social media outreaches ministered to ****1 million views**** and thousands of likes across our 15 social media platforms. We never thought that such a ministry would have such a huge impact in spreading the gospel to so many hearers every day and every minute!

Book Ministry

Our book ministry was a great success this year as we had over ****200 students**** read, study, and be discipled in the gospel with our books in the inner city of Philadelphia. We have invested in the many youth we meet with our discipleship books. Thank you for investing in young people's lives with our "One Book One Child" book ministry!

Thank You

ONE BOOK, ONE SOUL

Thank you so much for your generous support of our One Book One Soul project during the December Christmas Youth Safety Zone outreach. Because of your kindness, we were able to place 150 children's books into the hands of young people at our Christmas party—each one receiving not only a special gift, but also a clear and heartfelt presentation of the gospel.

Your partnership made an eternal impact, and we are deeply grateful for your faithfulness in helping us reach the next generation for Christ.

Why Electronic Monthly Support Matters

Our Monthly Reality

Our ministry operates on a 30-day cycle. Each month we schedule Safety Zone outreaches around Philadelphia, sharing the gospel with children, youth, and adults through strategic programs requiring careful preparation and consistent support.

Youth Action Ministries operates on a \$7,000 monthly budget. Of this, 40% covers director expenses while 60% supports ministry operations—outreach programs, materials production, and office administration.

When monthly support is inconsistent, we must reduce the director's housing—our most flexible line item. These gaps slow our ability to maintain steady outreach schedules.

Looking Ahead

We believe God is preparing a great awakening. Your consistent partnership helps us maintain steady presence in our communities that builds trust and opens doors for the gospel.

The Electronic Advantage

Electronic monthly giving provides consistency that allows us to plan confidently and operate steadily. When support arrives automatically each month, we can focus our energy on evangelism.

Would you consider automatic monthly support?

Your faithful partnership makes all the difference.

65 Books In 65 Days For 65 Students

You won't believe it, but I'm turning 65 years old this spring. We want to give away 65 powerful books to 65 students we minister to in the inner city this spring. This spring of 2026, our ministry has a powerful vision: to place 65 life-changing gospel books into the hands of 65 inner-city students. Would you prayerfully consider partnering with us to reach youth with the Gospel of Jesus Christ? You can help in two ways: purchase a book directly from our Amazon Wish List, or send a gift with the memo "One Book One Child." to Youth Action Ministries, or use our electronic support web server on our website. Every book you provide becomes a tool for eternal transformation in a young life. Your generosity doesn't just give a student something to read—it gives them the opportunity to encounter the life-changing message of salvation through Jesus Christ.
