

Thank you for standing with us in this vital ministry. Your prayers, financial support, and encouragement make all the difference as we reach the lost with the love of Christ

Hello Praying Friends, Youth Safety Zone

Our most recent Youth Safety Zone was a tremendous encouragement to everyone who attended! Once again, several dozen students and leaders gathered for this special gospel outreach in the city – and the Holy Spirit moved in a powerful way. A dozen students came forward during the invitation to receive Christ! Why would a young person stand in front of their peers and publicly say yes to Jesus? Only the Holy Spirit can stir that kind of courage and hunger in a young heart. We are so grateful for your prayers and we look forward to seeing even more students come out to these life-changing outreaches. God is at work in Philadelphia!

Mentoring Program

Dr. Tony Rizzo has been developing an exciting new series of books and training resources for those who feel called to full-time evangelism. We recently completed a series of videos on this topic, and our newest YouTube channel – MasterMind My Ministry – has had a tremendous launch! Our goal is to train and equip the next generation of evangelists to communicate the gospel through every means possible. Our latest book, How to Become a Full-Time Evangelist, is expected to be available on Amazon by April 1, 2026. Stay tuned!

Book Ministry

We are thrilled to announce the release of our children's book, Tony's Train – the newest addition to the beloved Tony's Tales series! This encouraging book helps students experience the peace of God through His Spirit, especially when fear and anxiety try to take hold. Tony's Train will be available on Amazon beginning March 1, 2026. What a great gift for the young people in your life!

We are also completing our 65 for 65 Campaign, with a goal of placing these books directly into the hands of students this spring. If you would like to give toward this outreach, you can donate securely through our website at www.youthactionministries.com or mail your gift to our office at the address below. Every book is a seed planted for eternity!

Teaching Ministry

The Teaching Ministry is going strong! Over the past 12 weeks, Dr. Rizzo has ministered at several churches across the region, and several hundred precious saints have attended these meetings. What a joy it is to encourage the Body of Christ and challenge believers to take the gospel to the world around them. Praise the Lord! More meetings are coming up in the next few weeks – we would love to bring this ministry to your church as well.

Prayer Requests

Please keep Becky in your prayers. She has been dealing with persistent bone pain in her chest and shoulders for the past eight months. We trust the Lord for His healing touch and are grateful for every prayer on her behalf. And please continue to pray for Dr. Tony Rizzo as he goes out week after week into the streets of Philadelphia to share the gospel. Every soul matters. Every conversation counts. My heart is fully set on seeing that one more soul come to Christ – and it is your prayers that make the difference. Thank you so very much!
